

# NUMBERS

Look in the Book of Numbers Chapters 1 and 26.

Insert the numbers for each tribe of Israel which came out of Egypt.

Insert the numbers for each tribe of Israel that entered in Canaan.

Work out the differences and put them in the 'More/Less' column.

<b>TOTALS</b>			

- 1) Which tribe decreased the most?
- 2) Which tribe increased the most?
- 3) Can you work out the percentage (%) change in the total number that came out of Egypt to that which entered Canaan?
